

Thanksgiving Linens!

Of no section of our store are we more proud than of our Linen Department, and what is nicer than handsome Linen? It is our aim that no article shall go from this department, as in all other departments, that does not give the best of satisfaction in every way. **Shamrock Linens** are the ones that have brought this section up to its present high standard, a name that is synonymous with "THE BEST" that is produced in household Linens. At this great closing-out sale of the two large stocks which we purchased in Burlington last month. It's an opportunity that won't present itself every day. Whoever is elected President, the country will be safe the next four years. Wages will increase, mills will start up, big trusts will be formed and prices will certainly advance on all lines of merchandise, so strike while the iron is hot and do not let this opportunity pass for laying in a good supply of Clothing, Shoes, Rubbers and Furnishing Goods for yourself and your family for the next year or two at unheard-of prices. We are at your service. Remember the place.
